Dear Mr. Walker:

Pursuant to our recent telephone conversation, I am requesting that you amend our Statement of Organization dated October 19, 1999 as follows:

First, please indicate "None" on line 6, Connected Organizations/Affiliated Committees. As we discussed, there is a Pennsylvania 501(c)(4) organization, Citizens Against Higher Taxes, Inc., of which I am chairman. However, it has no organizational or financial connection with the Citizens Against Higher Taxes Federal Campaign Fund. The board of the 501(c)(4) corporation has no control over the operation of the Federal PAC, nor does the corporation give any financial support to the Federal PAC. Give those circumstances, your advice was that the sole fact that I personally am chairman of both organizations does not make the Federal PAC an affiliated or connected committee. If I have misunderstood our conversation, please let me know and I will adjust the Statement of Organization accordingly.

Second, we might well use an abbreviated form of the PAC name on checks written and received, and I gather that this also should be added to our Statement of Organization. Could you therefore please include "CAHT-FED" on line 1, Name of Committee.

Thank you for your help on these two points. I believe I am correct in thinking that I can make these changes to the Statement of Organization by this letter rather than by filing another copy of the actual FEC Form 1.

I have another question or two relating to internet sites, but I will contact you separately about that. Thanks again for your assistance.

Sincerely,

James H. Broussard, Chairman
